Creator Lab

NABSHOW[®]
Where Content Comes to Life

Mastering the Building Blocks of the Creator Economy

About Creator Lab

Broadcasting has evolved into a dynamic, multi-platform ecosystem, and the Creator Lab at NAB Show is the hub for the growing creator economy, offering essential resources for education, networking, and collaboration, empowering creators to drive the future of storytelling.

The Growing Market for Creator Content

Influencer marketing has grown three-fold since 2019.

statista

83.2% of marketers say they will use AI tools to produce content in 2024.

siegemedia

Creator revenues in 2024 from tipping (\$160 million), subscriptions (\$270 million), and merchandising (\$450 million) on social media will each have at least tripled between 2021 and 2024.

yahoo!
finance

44% of advertisers plan to increase their investment in creator content in 2024.

Here's what people are saying

"It's so wonderful to see the Creator Lab here. NAB Show sees us! We have a space, we have a stage, and even a great place to create content!"

Juliana Broste
Creator

"It feels incredible that each year [creators are] being taken more seriously and seeing more creators around. Now we're seeing the infrastructure being made for creators. It's awesome!"

Michael Tobin
Creator

"I think the Creator Lab is really new and important this year because first and foremost the creator economy is booming! Creators is where they're at! I'm really excited to see the space taken more seriously. It's a booming economy with so many opportunities."

Brianna Appel
Global Director, Iyuno

Here's who's talking about us

Topics included content monetization, video transformation, AI and mobile content creation. Featured speakers include Chris Laxamana, co-host and producer of The Adam Corolla Show, Lindsey Kelt, Lead Product Partnerships at TikTok and Marc Hustvedt, president of MrBeast YouTube.

“The Creator Lab is a hands-on area where you can get up close with the newest tech and creative techniques. It's also a great chance to see how AI and mobile tech are changing content creation and learn how to reach global audiences more effectively. The Creator Lab mixes theory with practice, letting you try out the latest tools with expert advice right there....

Who Should Exhibit?

- Social Media Platforms
